**AREA 1** - is the western side of the Borough west of Bayard Lane and University Place

**AREA 2** - is the area east of Bayard Lane, north of Nassau Street and west of Harrison Street

**AREA 3** - is an area east of University Place south of Nassau Street and east of Harrison Street  
(including the area north of Nassau Street, east of Harrison Street)

The law states that all leaves must be composted. The Department of Public Works will be using leaf machines to pick up loose leaves this year. Residents are directed not to use leaf bags, but rather to put their leaves out in neat rows at the curb. Please keep rocks, sticks, grass clippings and other debris out of the leaf piles. Thank you for your cooperation.
